Recent claims out of this trainer's barn have produced some of the most favorable gains for horses lately claimed in this group. A nice effort last out. Make this horse a strong challenger - he comes off a solid contest.

Good power rating - morning line odds underestimate this colt's chances - looks like an overlay. Jockey and conditioner haven't had much recent luck together. Finished in the second half of the pack last time - not a ringing endorsement.

Jockey and conditioner haven't had much recent success together. Didn't finish near the top of the field last race - might have to expect the same today. With Kendry Rivera aboard this equine, may have to let go of this horse.

Expect this beautiful animal to shock some folks today. Tough to invest in this animal after the disappointing stretch drive in the last race. Have to be leery with horses trained by Jorge A Vargas right now - on a bit of a cold streak.

Wilted in the stretch last time around the track - may do the same thing. Have to make this filly a win candidate - she comes off a sharp outing. This filly finished well ahead of the third horse in the last one.

The combination of Ismael Cruz and Jason Lisboa isn't on track recently. This Sire's offspring have been inconsistent in their 1st competition (70 starts, 3% wins). Dam's foals have produced the most respectable results in this group with entries in their first affair (5 starts, 40% wins, +165% ROI).

The attractive odds make this horse a strong play with such a strong power rating. Handler has had an awful time winning races within the recent past. Not making a bet on this animal after the last effort.
