⚡ Finished in the money last time out. 🐾 An able mount that's been running well, but she's been missing in the mornings lately. 🎯 Wagerers should feel comfortable with this pick given the solid Trainer/Horse record (11 starts, 18% wins).

Good power rating - morning line odds underestimate this filly's chances - strong price play. Don't see her as a sure thing after that last race.

Last event was solid. This mare is in nice physical condition, having run a nice race last time out. Didn't show much courage during the stretch drive last time - be cautious with her.

Hard to play any horse that can't even prove victorious one time in her last ten races. Trainer/Horse combination leaves much to be desired (24 starts, 8% wins, -25% ROI). Don't really like the most recent try - in the back of the pack.

Recently, this rider and conditioner haven't been winning when they team up. This horse coming off a nice try in the last month or so is definitely live. Didn't display enough courage in the stretch last time.

Rider doesn't have the best win percentage within the recent past. The addition of bandages last out is usually a sign of declining form. Tough to invest in this one after the disappointing stretch drive in the last affair.

Lynn Rarick has not gotten the best out of this gelding (9 starts, 0% wins). This less than stellar equine hasn't won in his last ten chances - he's probably not worth the value today. Good return on investment for this rider and handler pair.

Don't dismiss the in the money finish in the last race. This Sire's foals have not produced positive profits when on the turf (114 starts, 9% wins, -42% ROI). John G Vinson isn't on a hot streak right now.

Have to be leery with entries trained by William Downing right now - on a chilly streak. Flattered down the lane last out - may do more of the same. Sire's turf offspring have been poor (467 starts, 9% wins, -24% ROI).

Nice return on investment for this rider and conditioner duet. Dam's turf offspring have not produced good gains (19 starts, 5% wins, -84% ROI). Hard to play any horse that cannot even put up a win one time in his last ten races.

Just not a great bet - conditioner not winning many races within the recent past. Not wagering on this horse after the last try. Jock and trainer haven't had much recent good luck together.

Dam's offspring have shown formidable gains on the grass (12 starts, 25% wins, +5% ROI). Could run a better performance than predicted by the rest with such a strong price rating - strong price potential. Have to be leery with entries trained by Aldana Spieth right now - on a cold streak.

☹️Give this mare a good chance - ran a good outing last out within a month. ☹️Elijah Greenidge and Arthur O Agostini haven't been an inspiring combo lately. ☹️May have to pass on this horse - trainer hasn't had the best of luck recently.

A racer coming back this promptly after a good effort is a good omen. Trainer Tony Wilson has not had much success with this filly (18 starts, 6% wins). Good power rating - likely odds underestimate this filly's possibilities - strong price play.

Gerald S Bennett has sharp numbers with this gelding that point to a very solid contender. Was live last out. This campaigner coming off a nice effort in the last month or so is definitely live.

Bombs away - the chalk players may miss out on this horse, ranked well on power rating. Didn't display much fortitude during the stretch run last time - be cautious with him. Didn't finish near the top of the field last event - might have to expect the same result today.
