This gelding should go off at a nice price and has a strong power rating. Bernadette Barrios has not gotten the best out of this gelding (17 starts, 6% wins). May have to let go of this horse - handler hasn't had the best of luck in recent times.

Tough to play this filly today - handler on a down cycle over the last month. This jockey is on a chilly streak. Don A Young hasn't been getting wins when putting Jacquelyn Bobroff on a horse.

This filly has not run well under Danny E Martinez's training (0% wins). Conditioner is on a cold streak - hard to encourage. Tread lightly - attempt just wasn't strong enough last out.

Hard to wager on Jacquelyn Bobroff right now - not enough wins recently. This jockey/handler combo is cold right now - not a high win percent together. Trainer has had difficulty winning races lately.

When this jockey and trainer team up you have to take a look. A pony coming back this rapidly after a solid effort is a good signal.

⚠Filiberto Quiroz hasn't been getting victories when putting Jorge Carreno on a horse. ⚠This less than stellar equine didn't finish in the top half of the field last race out. ⚠Tough to wager on this horse after the disappointing stretch drive in the last event.
