Absolutely one of the value wagers in this event given the power rating. Last win was a romp. Teddy Morales's ROI with this horse (+610%) automatically make them a value contender.

14Oct23 6f ft 7 CMR - Veterinarian. Yashira Tolentino and Jose R Delgado haven't been a winning combination recently. Conditioner is on a bit of a cold streak - hard to stand behind. Yashira Tolentino has not gotten the best out of this horse.

Recent claims out of this trainer's barn have produced some of the most favorable gains for horses lately claimed in this group. A nice effort last out. Make this horse a strong challenger - he comes off a solid contest.

Jack hasn't had the greatest winning percent as of late - may have to take a pass. Tough to play this equine with this handler's lack of recent good fortune. This runner didn't finish in the top half of the field last out.

Good power rating - morning line odds underestimate this colt's chances - looks like an overlay. Jockey and conditioner haven't had much recent luck together. Finished in the second half of the pack last time - not a ringing endorsement.

Jockey and conditioner haven't had much recent success together. Didn't finish near the top of the field last race - might have to expect the same today. With Kendry Rivera aboard this equine, may have to let go of this horse.

Expect this beautiful animal to shock some folks today. Tough to invest in this animal after the disappointing stretch drive in the last race. Have to be leery with horses trained by Jorge A Vargas right now - on a bit of a cold streak.

Can't make a habit of betting on ponies that rarely win. Went backward down the stretch last time around the track. Difficult to figure this horse winning after finishing near the back last time.
