This mare is in excellent physical condition right now - ran well. This jockey/conditioner combo is a bit cold right now - not a high win percentage together. Hard to play this mare today - jock's winning percent as of late has been lackluster.

This horse's trainer hasn't been getting victories often lately. The stretch effort in the last event leaves much unanswered. Didn't finish in the top half of the field last race - might have to expect the same.

This horse is very sharp right now - Enrique Hernandez brings her right back. Tough to bet on Gabriel Maldonado right now - not enough victories recently. Condition is somewhat in question after the addition of front bandages in the last clash.

Hard to play any horse that can't even prove victorious one time in her last ten races. Trainer/Horse combination leaves much to be desired (24 starts, 8% wins, -25% ROI). Don't really like the most recent try - in the back of the pack.

Adorable Heidi has not recorded strong gains (0% wins, -100% ROI) with first asking starters. Have to be leery with animals trained by Nestor Cascallares right now - on a losing streak. Hard to wager on Anthony Rodriguez right now - not enough wins lately.

Back peddled down the stretch last race out. Difficult to figure this horse winning after finishing near the back of the pack last time. The combination of Raymond Torres and Abraham Gardea isn't on track recently.

Folded in the lane last out. Last race doesn't bolster much faith. Tough to play this equine with this trainer's lack of recent good fortune.

This horse's conditioner hasn't been winning often recently. This mare has not run well under Nestor Marrero's training (0% wins). This rider/trainer combo is off kilter right now - not a high winning percent together.

Nestor Cascallares hasn't been victorious when putting Leonel Reyes in the saddle. Didn't exhibit much willingness during the stretch drive last time - be cautious with her. Always a smart play to bet sprinters that make a fast turnaround.

Recently, this rider and conditioner haven't been winning when they team up. This horse coming off a nice try in the last month or so is definitely live. Didn't display enough courage in the stretch last time.

⚠Rider doesn't have the best win percentage within the recent past. ⚠The addition of bandages last out is usually a sign of declining form. ⚠Tough to invest in this one after the disappointing stretch drive in the last affair.

This is a racer that just doesn't win - can't play him. This jock/handler combo is off kilter right now - not a high win percentage together. Michael V Simone has not gotten the best out of this gelding (11 starts, 0% wins).

Lynn Rarick has not gotten the best out of this gelding (9 starts, 0% wins). This less than stellar equine hasn't won in his last ten chances - he's probably not worth the value today. Good return on investment for this rider and handler pair.

Have to be leery with entries trained by William Downing right now - on a chilly streak. Faltered down the lane last out - may do more of the same. Sire's turf offspring have been poor (467 starts, 9% wins, -24% ROI).

Just not a great bet - conditioner not winning many races within the recent past. Not wagering on this horse after the last try. Jock and trainer haven't had much recent good luck together.

Dam's offspring have shown formidable gains on the grass (12 starts, 25% wins, +5% ROI). Could run better than predicted by the rest with such a strong price rating - strong price potential. Have to be leery with entries trained by Aldana Spieth right now - on a cold streak.

A racer coming back this promptly after a good effort is a good omen. Trainer Tony Wilson has not had much success with this filly (18 starts, 6% wins). Good power rating - likely odds underestimate this filly's possibilities - strong price play.

Gerald S Bennett has sharp numbers with this gelding that point to a very solid contender. Was live last out. This campaigner coming off a nice effort in the last month or so is definitely live.

Trainer has had an awful time winning races these days. This questionable contender didn't finish in the top half of the field in the last race. Hasn't scored a victory recently - not worth it on this equine today.
