Horses off the layoff from this trainer's barn have not produced the best profits in this group of the horses in this race (48 starts, -15% ROI). German Terraza and Kelli Martinez just haven't been clicking together lately. Tough to play this filly today - conditioner on a down cycle over the last month.

Marvin Curtsinger isn't on a winning streak as of late. Filtered in the stretch last race out - may do the same. Difficult to figure this one winning after finishing at the back last time.

Santo Sanjur should put some cash in your pocket with this animal and his power rating. This rider/conditioner combo is not in sync right now - not a high winning percent together. This mare wilted in the lane - not a good sign.

Could be tough to wager on after that last stretch performance. This equine has no victories in her last ten attempts. Recently, this trainer has not produced good profits when moving horses up in class (38 starts, 3% wins, -81% ROI).

The public should think too lightly of her chances; rates well on power rating. Didn't exhibit much willingness during the stretch drive last time - be cautious with her. Last affair doesn't encourage much confidence.

Class droppers out of this trainer's barn have not produced good gains (-100% ROI). Tough to invest in this horse after the disappointing stretch run in the last race. This pony didn't finish near the front of the field in the last race.

◆Difficult to figure this one winning after finishing towards the rear last time. ◆Stephen S Sandy has not recorded strong gains with this gelding. ◆This questionable contender hasn't won in his last ten chances - he's probably not worth the value today.

With one race under her belt, expect an improved performance. Tough to play this equine with this conditioner's lack of recent luck. Eoin G Harty is strong with horses coming off of a layoff.

Keep this horse in your exotics as Larry Rivelli has been very successful with this horse (25 starts, 32% wins). Could be tough to wager on after that last stretch effort.

Needs to be considered as Eric N Foster has been among the top trainers (+84% ROI) with recent claims. This gelding is in excellent form right now - ran well. Tread lightly with this horse - connections have been not in sync when teaming up.

Tough to bet on a pony that loses so frequently. Didn't finish in the top half of the field last event - might have to expect the same result today. Corey J Lanerie and John A Hancock haven't been a strong team recently.

Not making a bet on this one after the last attempt. Hasn't scored a victory recently - not worth it on this equine today. Could be tough to play after that last stretch drive.

Don't see him as a sure thing after that last race. Didn't exhibit much courage during the stretch run last time - be cautious with him. Jock and trainer haven't had much recent success together.

Tomás Medina isn't on a hot streak lately. This gelding wilted in the homestretch - not a positive sign. Rider and handler haven't had much recent success together.

Give this gelding a good chance - ran a sharp contest last time out within a month. When this rider and trainer are put together you have to take a look. Have to bet on him if he goes off at a good price with such a strong power rating.

Tommy Humphries can make a nice-priced score with this magnificent animal. Nice power rating. Have to love that most recent outing where he ran strong. Handler is on a bit of a cold streak - hard to support.
