⚠️Don't really like the recent attempt - in the back of the pack. ⚠️Risk takers should feel comfortable with this selection given the solid Trainer/Horse record (10 starts, 30% wins). ⚠️This rider/handler combo is a bit cold right now - not a high win percent together.

⚠️The combination of Jose Benjamin Lopez and Irving Fournier isn't on track lately. ⚠️Tough to figure this one winning after finishing near the rear last time. ⚠️Hard to play this mare today - rider's winning percentage recently has been lackluster.

This gelding runs solidly under Javier Duarte 's training. This gelding just keeps on getting wins. Last race was nice, but the lack of any recent activity raises some concerns.

Definitely a price play with such a good power rating - may payoff big. Don't dismiss the in the money finish last time out. The lack of morning blow outs is troubling despite the strong performance in the last competition.

On a nice roll - can finish first again in today's event. Has a high power rating and should go off at more than fair odds - worth a chance. When this rider and trainer work together you have to take a look.

Have to gamble on him if he goes off at a nice price with such a strong power rating. Can't make a habit of betting on ponies that rarely win. This jock/trainer duo has been producing a very positive ROI.

Bart G Hone has very stong numbers with this gelding that point to a sharp contender. This gelding faltered down the lane - not a positive sign. Have to be leery with horses trained by Bart G Hone right now - on a cold streak.

▲ Silva-Martinez has very solid numbers with this gelding that point to a very solid contender. ⚡ Just not worth playing - handler not winning many races of late. ⚡ Don't see him as a sure thing after that last race.

Luis R Reyes and Chad K Story just haven't clicked together lately. Tread lightly - try just wasn't enough last time. Jockey numbers with 2 year olds have not been very good (30 starts, 7% wins, -76% ROI).

Most ponies improve in the second outing after their first visit to the track. Tread lightly - attempt just wasn't nearly good enough last time. Wagerers should note sire's 2yo offspring have not generated good returns (85 starts, 5% wins, -76% ROI).

Definitely a value play with such a good power rating - might payoff big. Didn't finish near the top of the field last affair - might have to expect more of the same.

As a young horse is worth consideration. Shows really strong trainer stats with 2 year olds (20 starts, 30% wins). Ran a winning race last effort, but just couldn't haul in the winner. Karlo Lopez has been nails with two year olds (24 starts, 29% wins).
