Most horses make headway in the second outing after their first visit to the track. Handler hasn't had the greatest winning percentage recently - have to skip. Lately, this rider and conditioner haven't been winning when they combine forces.

Can't make a habit of betting on horses that rarely win. Trainer/Horse combination leaves much to be desired (20 starts, 5% wins, -3% ROI). Tread lightly - attempt just wasn't enough last race.

⚠️Class droppers out of this trainer's barn have not produced the best profits in this group of contenders (37 starts, 8% wins, -23% ROI). ⚠️Tread lightly - try just wasn't nearly good enough last time. ⚠️Hard to play this colt today - jockey's win percentage as of late has been lackluster.
