Hasn't scored a victory recently - not worth it on this equine today. Recently, this jock and trainer haven't been winning when they team up together. Trainer A J Musquiz has not had much success with this gelding (7 starts, 0% wins).

Can't win big without betting high-priced horses - worth a chance with such a good power rating. This is a campaigner that just doesn't win - can't play him.

May have to pass on this one - rider hasn't had the best of luck of late. With the impressive Jockey/Horse combo (11 starts, 27% wins) risk takers should feel comfortable with this pick. Last affair doesn't encourage much faith.
