Hard to figure this animal winning after finishing in the back last time. This filly is back soon - sprinters that come back quickly are generally good plays. Tough to invest in this one after the disappointing stretch run in the last event.

Hasn't scored a victory recently - not worth it on this horse today. This rider/trainer duo has a strong ROI together. Didn't finish near the front of the field last race - might have to expect the same result.

Mark N Hibdon has recorded very stong dividends with horses moving down in class (53 starts, 32% wins, +32% ROI). Nice return on investment for this jock and trainer twosome. Not investing on this animal after the last attempt.

Can't win big without betting high-priced horses - worth a chance with such a good power rating. This is a campaigner that just doesn't win - can't play him.

Hard to figure this animal winning after finishing in the rear last time. Travis Cunningham and Annie Hansen Hines just haven't been clicking together recently. Annie Hansen Hines isn't on a winning streak as of late.
