19Feb23 1 ft 6 AQU - Veterinarian 11Sep21 1 @ fm 11 KD - Also-Eligible

Not betting on this horse after the last try. Could be right there at the finish based on formidable results of the Dam's foals on the turf (21 starts, 19% wins, +2% ROI). This animal has no victories in his last ten chances.

⚠️Danny Pish has this gelding placed in the ideal contest. ⚠️Tread lightly with this animal - connections have been not in sync when teaming up. ⚠️Didn't exhibit much willingness during the stretch run last time - be cautious with him.

⚠️He doesn't have the winning nature, tough for him to get it today. ⚠️Have to be leery with animals trained by Joaquin E Garza right now - on a bit of a cold streak. ⚠️Could be tough to wager on after that last stretch drive.

This pony coming off a good try in the last month or so is definitely live. Can't ignore the in the money finish last race out. Surprise package - the rest of the crowd may miss out on this one, ranked well on power rating.

Strong return on investment for this jock and trainer duet. Can't make a habit of betting on ponies that rarely win. Tough to support any horse that runs as well as he did, then lays up and doesn't workout.

This pony didn't finish near the top of the field last out. Jesse Saucedo isn't on a hot streak as of late. Could be tough to play after that last stretch performance.

This gelding is in exceptional form right now - ran well. Tony Rengstorf has solid numbers with this gelding that point to a very solid contender. Jock hasn't had the highest winning percent recently - may have to give a pass.

Cesar Govea has not gotten the best out of this gelding (27 starts, 7% wins). Give this gelding a good chance - ran a sharp race last time around the track within a month. This is a horse that just doesn't win - can't play him.

Put some dough on this high-priced horse with one of the best power ratings - odds will be right. Danny Pish has not been among the best trainers with freshened horses. Lost ground in the lane in the last event.

⚡Do not skip this one based on Sire's offspring turf numbers (559 starts, 15% wins). ⚡Terry Eoff's ROI with this horse (+76%) automatically make them a profitable contender. ⚡Didn't display enough mettle in the lane last time.

Turf numbers for this Dam's offspring have not been good (11 starts, 0% wins, -100% ROI). This mare is in excellent condition right now - ran well. Handler hasn't had the top win percentage as of late - have to skip.
