Take a risk on this one with one of the best power ratings - odds will be right. Jose Corrales has not done well over the last month with freshened horses (3% wins). Jockey and trainer haven't had much recent success together.

Marco P Salazar has not gotten the best out of this filly (13 starts, 0% wins). This equine's conditioner hasn't been winning often lately. Finished in the second half of the pack last time - not a terrific sign.

May have to skip this animal - rider hasn't had the best of luck within the recent past. The stretch display in the last affair leaves much up in the air. Tread lightly - effort just wasn't good enough last time out.

This trainer has horses that have consistently produced competitive board hit percentages when moving down in class (20% wins). Could be tough to bet on after that last stretch performance. Raul E Mena should put some dollars in your pocket with this animal and his power rating.

☺With one race under his belt, expect an improved performance. ☹Tough to play this animal with this trainer's lack of recent good fortune. ☹Rider and trainer haven't had much recent good luck together.

The rest of the crowd will underestimate her chances; rates well on power rating. A campaigner coming back this promptly after a nice contest is a good sign. Rider and conditioner haven't had much recent luck together.

Horses off the layoff from this trainer's barn have not produced the best gains in this group (26 starts, -67% ROI). Have to be leery with entries trained by John J Robb right now - on a bit of a cold streak.

Race horse is on a nice winning skein - may keep it going.

Last affair doesn't restore much confidence. Faded down the stretch last time around the track - may do the same thing. Gregory L. Wilson hasn't been victorious when putting Jevian Toledo up aboard.
