This racer didn't finish near the top of the field in the last race. Backed up down the homestretch in the last race. Anthony Rodriguez and Nestor Marrero haven't been a strong team recently.

Have to gamble on her if she goes off at a price with such a strong power rating. Tough to play this animal with this handler's lack of recent luck. Didn't finish in the top half of the field last race - might have to expect the same.

Absolutely one of the good value plays in this affair given the power rating. Have to be leery with mounts trained by Arnoud W Dobber right now - on a chilly streak. Not investing on this animal after the last undertaking.

Put forth a strong performance in the last affair. Just not worth playing - conditioner not winning many races over the last month. This filly is in nice physical condition, having run a strong race last time out.

Carlos Eduardo Rojas and Rafael Romero haven't been an inspiring combo lately. Conditioner hasn't had the greatest winning percentage recently - have to take a pass. May have to skip this animal - rider hasn't had the best of luck within the recent past.

Hard to figure this one winning after finishing at the back of the pack last time. Tread lightly with this one - connections have been not in sync when teaming up. The stretch performance in the last affair leaves much up in the air.

Have to love that recent effort where he finished strong. This racer will have a tough go today - he just doesn't win very often. Class jumpers out of this trainer's barn have not produced the best dividends (-64% ROI) in this field.

Went backward in the homestretch last time around the track. Tough to figure this horse winning after finishing in the rear last time. L Moreno-Barban hasn't been victorious when putting Charle Oliveros aboard a horse.

The enticing odds make this horse a nice play with such a strong power rating. Keep this horse in your exotics as William E March has been very successful with this horse (16 starts, 44% wins). Trainer hasn't had the best winning percent as of late - have to take a pass.

This questionable contender didn't finish near the top of the field last time out. Backed up in the stretch last time around the track. Christian Maragh and Mikhail Carmichael perform well when they combine forces - strong ROI together.

Jockey has produced the top results in this group of horses (55 starts, 20% wins) with entries in their first outing. When this jockey and conditioner partner up you have to take a look. Can't bet on this filly with her sire's lack of success with first time starters.

Trainer has not produced the best results in this group of the horses in this race with horses moving up in class (39 starts, 5% wins, -87% ROI). Shouldn't overlook this horse given the Dam's solid record with turf starters (112 starts, 16% wins). Tread lightly - attempt just wasn't enough last out.

🐾Really believe this beautiful animal is going to be really close near the finish line. 🐾Didn't finish in the top half of the field last affair - might have to expect more of the same today. 🐾This jockey/handler combo is not in sync right now - not a high win percent together.

Sire's turf figures (44 starts, 16% wins, +120% ROI) support this choice. Can't make a habit of betting on ponies that rarely win. Can't win big money without betting high odds - worth a chance with such a good power rating.
