Trainer has not produced the best results in this group of the horses in this race with horses moving up in class (39 starts, 5% wins, -87% ROI). Shouldn't overlook this horse given the Dam's solid record with turf starters (112 starts, 16% wins). Tread lightly - attempt just wasn't enough last out.

👉 Really believe this beautiful animal is going to be really close near the finish line. 🐾 Didn't finish in the top half of the field last affair - might have to expect more of the same today. 🐾 This jockey/handler combo is not in sync right now - not a high win percent together.

Anthony Rodriguez will put some nice dollars in your pocket with this animal and his power rating. Tread lightly - attempt just wasn't really enough last race. Conditioner hasn't had the greatest win percent as of late - have to pass up.

Have to be leery with mounts trained by Pablo R Torres right now - on a chilly streak. Good return on investment for this rider and conditioner duo. This pony will have a tough go today - she just doesn't win very often.
