This jockey and handler's horses have been producing a lucrative return on investment. Went backward down the homestretch last race out. Last event doesn't bolster much confidence.

Last affair was a strong try. Trainer/Horse combination leaves much to be desired (9 starts, 0% wins, -100% ROI). With Kelsi Purcell atop this animal, may have to pass on this gelding.

Has found a great spot this time out. This gelding's jock hasn't been getting many victories recently. Tough to bet on this horse after the disappointing stretch drive in the last affair.

Counting on this magnificent animal to run a good one today. Have to be leery with entries trained by Filiberto Quiroz right now - on a chilly streak. This filly has not run well under Filiberto Quiroz's training (0% wins).

Keep this mare in your exotics as Ever Olguin has been very successful with this horse (9 starts, 22% wins). This mare is in good condition, having run a nice race last time out. This rider/handler duet has a strong return on investment together.

Recently, this trainer has not produced good dividends when moving horses up in class (39 starts, 8% wins, -54% ROI). Hard to bet on Felipe Valdez right now - not enough scores recently. Has a chance to keep the winning streak alive this race.

The stretch performance in the last affair leaves much unanswered. Has strong Dam dividends (29% wins) and may be worth the hazardous nature of a two year old race.

Finished in the back of the pack last time - not a ringing endorsement. Hard to play any animal that can't even prove victorious one time in his last ten races. This gelding faltered down the homestretch - not a good omen.

Sherry Armstrong's ROI with this horse (+96%) automatically make them a desirable contender. This gelding is in good physical condition - ran strong in last outing. The combination of Luis A Fuentes and Sherry Armstrong isn't on track lately.

Conditioner hasn't had the top winning percent recently - have to pass up. This pony coming off a sharp effort in the last month is definitely live. His trainer has not done well with horses moving up the class ladder (55 starts, 4% wins, -67% ROI).
